

Maxxam Blanking Panels

- ➔ 19" Rack mountable
- ➔ Mount horizontally
- ➔ 1U, 2U, 3U, 4U, 6U and 8U options available

Features:

- ➔ Black metal blanking panels
- ➔ Mount horizontally in a standard 19" rack
- ➔ Fill unused rack space
- ➔ Help to manage air flow
- ➔ Available in 1U, 2U, 3U, 4U, 6U and 8U

Technical Data:

Material	SPCC Steel
Colour	Black (RAL 9005)

Product Overview:

The Maxxam blanking panel can be used for filling unused rack space to assist with airflow within standard 19" racks.

The blanking panels fix onto the 19" mounting posts using standard cage nut fixings (supplied separately)
